Telephone Line ☐ (Not Available at all Locations)

Internet ☐ (Not Available at all Locations)

*This form is for the use for new construction or modifications to existing structures; **it must be filled out and all supporting documentation provided before Alaska Power & Telephone (AP&T) is able to proceed with the application.** After the application is accepted, AP&T reserves the right to request additional information from the Property Owner prior to completing the design and/or estimate. This application is official notice to AP&T to begin all the needed steps to provide you with new electric service. If any of the above information is revised you may be responsible for additional charges related to engineering, construction, or other aspects of providing service. If there is a lack of progress or inactivity on your project and this project is canceled either by you or by AP&T, you will be responsible for paying AP&T actual costs incurred up to the time of cancellation.*

By signing, Applicant grants AP&T and its subsidiaries the right to enter upon the property described above for the purpose of designing the service facilities, determining their location on the property and staking the location.
